Content

This qualification is designed for anyone (managers, supervisors and workers) in any type of organisation. It's ideal for anyone who needs a broad understanding of health and safety issues to be able to manage day-to-day risks effectively. Many people take the National General Certificate in Occupational Health and Safety (NGC) as a first step in a career in health and safety. It gives a valuable overview, and is a sound basis for further professional study.

The NEBOSH National General Certificate in Occupational Health and Safety has been accredited and credit rated by the Scottish Qualifications Authority (SQA) Accreditation. It sits in the Scottish Credit and Qualifications Framework (SCQF) at SCQF Level 6 with 11 SCQF credit points.
