

## 18th Edition Wiring Regulations (City & Guilds)

West Lothian College

### Content

This eight week course teaches the latest version of IEE wiring regulations providing the standard for which all UK electrical installations in domestic, commercial and other buildings must comply.

This course covers, in detail, the new IET Regulations and, with access to the assessment simulator, provides excellent preparation for your assessment on week eight. You will also have the opportunity to discuss any queries or concerns regarding the new regulations with an expert facilitator.

Tuesday - 6.00pm - 9.00pm
