

International Banking, Finance and Risk Management

Glasgow Caledonian University

Content

To keep up with the continued changes in the financial services sector, bank regulation and bank operational risk management, there is an increasing demand for employees to remain at the forefront of these changes.

We collaborate with leading financial services organisations to keep our modules cutting-edge and ensure that by making the decision to study the programme you have the confidence to apply this newly learned information in the industry.

Broaden and enhance your knowledge, understanding and skills in the area of domestic and international bank operations and risk management by learning from our diverse teaching team. They have a broad range of experience, ranging from academic to industry expertise in both the public and private sectors.

This programme is accredited by the Chartered Institute for Securities and Investment (CISI) and the Chartered Insurance Institute (CII).
