

Applied Anatomy (Musculoskeletal)

University of Aberdeen

Venues

Old Aberdeen Campus

Content

Our PgCert will help you to refresh your theoretical, practical and applied anatomy knowledge. You will study the structure, function and applied aspect of MSK system and develop research skills to formulate a mini review.

The programme consists of four, 15-credit applied anatomy modules to be completed in 12 or 24 months.

Part time (12 months) Students must complete two compulsory 30-credit modules each semester:

Semester 1: AN5001 and AN5007

Semester 2: AN55003 and AN55005

Part time (24 months) Students must complete four 15-credit courses over two years. Students choose courses from the following electives:

In year 1, students can select any or all of the following:

AN5001: Applied Anatomy: Upper Limb (15 credit)

AN5503: Applied Anatomy: Lower Limb (15 credit)

AN5505: Applied Anatomy: Back and Spine (15 credit)

Start Date

September
