

PC Passport (NPA)

Fife College

Venues

Kirkcaldy (St Brycedale) Campus

Content

Develop your digital skills to expand your life-long learning horizons, enhance employability or start your journey towards a new career within the emerging digital sectors. Get started on one of our short PC/Digital Passport courses in January 2021 and gain a qualification to progress on to further study in just ten weeks!

Gain the confidence to operate a wide range of applications through Office 365, including word processing, spreadsheets and presentation software. Learn to effectively set-up and manage devices as well as source, process and use data safely across networks and social media platforms.

All you need is access to the internet as well as a PC or laptop - Stop thinking. Make it happen! Get started and apply today!
