

## Pre-Apprenticeship Bricklaying (Level 5)

Ayrshire College

### Venues

Ayr Campus

### Content

This course will give you a good foundation for becoming a skilled tradesperson. As you might expect, you'll do loads of practical work, including bricklaying, stonemasonry, plastering and tiling. You'll also do a small amount of theory and will find out what you need to know to work successfully in the construction industry.

You will learn: how to build half brick and one brick walls; cavity wall construction; damp proofing and decorative brickwork..
