

Marine Operations (Scottish Professional Diploma)

City of Glasgow College

Venues

Riverside Campus

Content

With Superyachts becoming larger and more sophisticated the officers working onboard have to ensure they have the best skills and training to be successful in this highly competitive market.

On successful completion of a Superyacht Cadetship, you will have gained an MCA Officer of the Watch (Unlimited) Certificate of Competency alongside an academic qualification that develops your management skills and additional superyacht courses designed to give you an edge in the industry.
