Content

Year 1: If you start Latin in the Level 1 course, you will be introduced to key concepts in the study of Latin language; learn the basic features of Latin grammar and syntax; study basic vocabulary; learn how to translate simple Latin sentences into English.

You will also study two other subjects in year 1 according to your interests: see Degrees in Arts, Science and Social Sciences.

Year 2: In Level - 2, you will have the opportunity to increase your knowledge of vocabulary and grammar, enabling you to translate passages of literary Latin into English.

You will read works by a range of authors, and study literary and social contexts as well as language and style, developing your critical skills.

You will go on to study a selection of Latin prose and verse texts.

You will also study one or two other subjects in year 2 according to your interests: see Degrees in Arts, Science and Social Sciences.

Years 3 and 4: If you successfully complete the courses in first and second year, you may progress to Honours (years three and four). You may take Honours either as a Single Honours student specialising entirely in Latin or as a Joint Honours student, taking Latin in combination with another subject. Whichever you choose, the Honours programme involves two years of study.

You will study topics such as epic, love-poetry, drama and the novel, where their impact on other European literatures can easily be traced. There is also the opportunity to start or continue the study of Greek.
