

Creative Industries (NPA)

Edinburgh College

Venues

Granton Campus

Content

Explore the basics of the creative industries in this entry-level National Progression Award (NPA). This course is your first step towards further study of a specialist subject such as theatre and performance; television and radio broadcasting; music and video.

Discover your creative potential as you gain essential knowledge and understanding of the creative industry.

Performing Arts Studio Scotland (PASS) has a range of exceptional professional facilities including the Pass studio theatre as well as dance, acting and aerial studios.

This course will test your creative abilities through subjects in production, live performance and communication.
