

Computer Support (PDA)

Fife College

Venues

Kirkcaldy (St Brycedale) Campus

Content

This course is designed for you if you are aspiring to build a career in IT and offers a comprehensive foundation in technical skills. It is ideal if you are serious about gaining a deep understanding of how to assemble, configure, and troubleshoot computers, as well as securely integrate them into networks.

The course is challenging, providing you with hands-on experience and a strong grasp of key concepts. Upon completion, you will earn a respected Cisco computer technician completion certification, a valuable credential in the IT industry.

You will study:

Computing: PC hardware and operating systems essentials (SCQF Level 7); Computing: PC hardware and operating systems support (SCQF Level 7); Cisco IT essentials (vendor certificate)
