

Gateway to Science

Fife College

Venues

Glenrothes (Stenton) Campus

Content

This course is designed for those who would like to pursue academic study in science and health but have limited qualifications. It will give you an insight into different science areas and help you to choose the right career path.

You will develop core skills, improving your chances of progression to the NC Applied Science at level 5 or of gaining an apprenticeship. The course leads to the award of a National Progression Award in Science and Technology and Science & Health.

Start Date

August
