

## Music Business (in conjunction with Kingston University London) (3rd year entry)

Edinburgh College

### Venues

Milton Road Campus

### Content

This top-up degree, validated by Kingston University London, is delivered over one year, as opposed to the two years typically required in Scotland. This new and innovative programme is designed to enable you to explore and specialise in a variety of areas in the music business (artist management, record label management, marketing and PR, touring and live events, digital content creation and artist development)

Through a range of individual supervision, lectures and seminars from music industry professionals you will realise individual and collaborative professional projects in your specialist area, equipping you with the skills and knowledge required to create your own brand or business and maximise your employability in the industry.
