#### **Content**

Want to enjoy life more and build your skills? On this part-time course, we'll support you to focus on wellbeing, communication and interacting with others. You'll do fun activities as part of a team like bowling, walking and frisbee golf, as well as getting creative with wood and hand tools - all while working towards a qualification.

This is an ideal course for those preparing to apply for full-time study within further education or for those who are not able to commit to full-time study.

You will have the opportunity to develop your current skills within the following areas:

Communication; Wellbeing; Working with others; Making an item.

#### **Start Date**

August
