

## Painting and Decorating (NPA)

Glasgow Clyde College

### Venues

Anniesland Campus

### Content

This Level 5 NPA Painting and Decorating course provides progression from the Level 4 NQ introduction to Skills in Construction course and is supported through our partnership with the Bell group. Though the coursework is predominately covered in the workshop Health and Safety and the principles of building construction will be undertaken in class. CSCS trainee cards will be awarded to those who have passed the relevant health and safety course and who maintain a high standard throughout the course .

There are many construction opportunities for those who are enthusiastic and appropriately trained. The ability to problem solve and execute decorating projects effectively will enhance employment opportunities within the industry.

Content:

Health, safety and welfare in construction; Manufacture of bench joinery projects; CSCS certification; Painting and decorating.

Extra-curricular:

Site visits; CV assistance by SDS advisors; Work experience opportunities are available for suitable candidates.
