Content

HNC in Childhood Practice is a nationally recognised professional qualification for people who want to work within the Early Learning and Childcare (ELC) sector.

This course provides you with an integrated programme of theory and practice that will help you develop an understanding of the different care, learning and development needs of children and young people.

Content:

Core units (6 credits): Care in contemporary society; Leadership starts with me; Health wellbeing and safeguarding; Lifespan development theoretical approaches; Support for play learning and development or playwork opportunities; Graded Unit 1.

Optional units (3 credits) may include: Language literacy and numeracy; Supporting children and young people's behaviour; Supporting children and young people with additional support needs.

SVQ practical units (3 credits): Promote Effective Communication; Promote Health, Safety and Security in the Work setting; Develop your Practice through Reflection and Learning.

Start Date

August
