

## Childhood Practice (PDA) (Level 9)

Glasgow Clyde College

### Venues

Langside Campus

### Content

This course is designed to support and develop your knowledge and skills in leadership and management for working in a childcare or playwork setting, with children and young people.

You will be able to lead and support the provision of high quality and flexible services that will give children and young people the best possible start in life, and demonstrate leadership and vision to contribute to the development of the profession.

Content:

Developing services for children and young people; Participatory partnerships: Working with families; Children's rights: Equality, diversity and inclusion; Childhood practice: Leadership and management and workplace practice.

Plus three mandatory optional units from the following areas:

Developing a rights-based approach to service delivery; Development of children (Pre-birth to three); Early learning; Playwork; Family support; Active leisure; Leading professional development.
