Access to Medical Studies and Allied Health (SWAP)

Glasgow Kelvin College

Venues

Springburn Campus

Content

The SWAPWest Access to Medical Studies, Dentistry, Veterinary Medicine and Science programme provides an entrance qualification to the University of Glasgow to study degrees in Medicine, Dentistry and Veterinary Medicine. In addition the programme provides progression routes to Pharmacy at Strathclyde University, Biomedicine and Oral Health at Glasgow Caledonian University and a wide range of science degrees with the University partners mentioned as well as University of the West of Scotland, Stirling University and SRUC (the Agricultural College).

It is a Scottish Wider Access Programme (SWAP) that provides positive destination routes not otherwise achievable without the normal required formal academic certification.

Core subjects include: Biology and Chemistry.

Core skills including: Maths and Communications.
