

Social Care (Level 5) (Fast Track)

Glasgow Clyde College

Venues

Anniesland Campus

Content

The Social Care sector employs roughly 1 in 13 people in Scotland. NQ Social Care (Level 5) is an introductory level course designed to give you the skills and knowledge required to pursue a career in social care as a Support Worker or progress NQ Social Care (Level 6). It covers many aspects of the caring role with a range of service users.

You will study a range of social care units that incorporate the Core Care subjects, core skills and other relevant care subjects.

These will include:

Understanding mental health issues; Social influences; Working in health and social care; Coping strategies and building resilience; Needs of the older person.
