

## Healthcare Practice

Glasgow Clyde College

### Venues

Anniesland Campus  
Cardonald Campus

### Content

HNC Healthcare Practice is designed to provide you with not only the underpinning academic knowledge and understanding but also the necessary clinical skills to work at Senior Healthcare Support Worker Level or to progress to university to a variety of nursing or allied health undergraduate degree programmes

The units you will cover on this course are:

Safe working practice for care; Therapeutic relationships; understanding behaviour; Sociology and health in Scotland; Professional standards for care practice; The human body in health and illness; Clinical skills for care practitioners; Understanding personal and professional development; Exploring mental health; Graded unit.

### Start Date

August

### Qualification

HNC

### Study Method

Part time (evening)

### Course Length

2 years

### Department

Health Care

### Entry Requirements

2 relevant Highers, preferably including English. National 5 Maths is also preferred. Or Foundation Apprenticeship Social Services and Healthcare plus 1 relevant Higher. Or a relevant NC or NQ at SCQF level 6. Interview. Pre-entry test.

You will require a satisfactory criminal record check from Disclosure Scotland to show that you are suitable for this type of course. Contact Disclosure Scotland for details on the type you would need.
