Content

Whether you dream of performing to an audience or you'd be happier applying your talents behind the scenes, raise the curtain on your theatrical dreams with this comprehensive, thoughtfully-constructed programme.

Train as a performer, practitioner, producer, or researcher, with a focus on planning, production, and entrepreneurial skills. Cultivate valuable performance production skills via involvement with in-house productions as well as those from visiting companies.

Access fantastic placements and performance opportunities as a result of the programme's connections with theatre practitioners and arts centres in the region, and develop a major piece of practice and/or text-based research in your fourth year, drawing on the critical performance and production skills developed throughout the degree.
