

Philosophy and Theology

University of Edinburgh

Venues

Central Campus

Content

Philosophy and theology frequently overlap. Philosophers have long questioned the nature of existence and agency. Theologians have engaged with philosophical traditions in developing their understanding of individual and collective belief.

This programme offers you an opportunity to explore these intersections. You will study the metaphysical, ethical and theological traditions that have shaped contemporary thinking.

You can also choose to focus on philosophy and theology as separate subjects, adjusting the balance between them according to your interests.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

MA Hons

UCAS Code

VV56

Course Length

4 years
