

Sports Coaching (in partnership with Rangers Football Academy)

New College Lanarkshire

Venues

Broadwood Campus

Content

The HNC in Sports Coaching, in partnership with The Rangers Football Club, gives learners the knowledge and skills necessary to work as professionals within Football or the wider discipline of sports development and coaching. Successful applicants will be placed within the Rangers Soccer Academy programmes most suited to their home location and travel requirements. These work placements will provide invaluable experience within the Rangers Soccer Academy, allowing individuals to develop their coaching practice, employment and education prospects.

As part of the HNC, the Soccer Academy coaches will have access to the Rangers Online Academy platform for previous session content to assist with planning, delivery and review of coaching sessions.

The course involves study of units such as:

Sports Coaching Practitioner: Knowing Coaching; Knowing Yourself and Knowing Others; Sports Development; Developing Professional Practice; Human Anatomy Physiology and Biomechanics in Sport
A Graded Unit
