Accounting and Business

University of Edinburgh

Venues

Central Campus

Content

This programme combines the study of accounting and finance to prepare you for the social, political, environmental and cultural challenges facing contemporary businesses, governments and not-for-profit organisations.

Taught by world-leading industry professionals and researchers, you will develop a range of skills.

This will enable you to work across a range of roles in contemporary business, including: accountancy and finance; strategy; marketing; human resource management; data analytics; and entrepreneurship and innovation.
