

## Accounting and Business

University of Edinburgh

### Venues

Central Campus

### Content

This programme combines the study of accounting and finance to prepare you for the social, political, environmental and cultural challenges facing contemporary businesses, governments and not-for-profit organisations.

Taught by world-leading industry professionals and researchers, you will develop a range of skills.

This will enable you to work across a range of roles in contemporary business, including: accountancy and finance; strategy; marketing; human resource management; data analytics; and entrepreneurship and innovation.
