

## Mathematics (Higher)

Inverness College UHI

### Venues

Inverness Campus

### Content

This course is designed to develop existing knowledge of mathematics and make a useful contribution to logical thinking processes, problem solving and communicating solutions to problems.

It builds on material in National 5/Intermediate 2 concentrating on the topics needed for study in higher education. Calculus, vector, exponentials and logarithms are introduced with an emphasis on problem solving and evaluation skills.

### Start Date

August

### Qualification

Higher

### Study Method

Part time (day)

### Course Length

1 year

### Department

Science and Environment

### Entry Requirements

National 5 Maths at B or above.

### SCQF Level

6

### SCQF Points

«SCQFPoints»

### Progression Routes

Advanced Higher Maths
