

## Electrical and Mechanical Engineering (Advanced entry)

UHI Outer Hebrides

### Venues

Outer Hebrides Campus

### Content

The BEng (Hons) Electrical and Mechanical Engineering has been designed to meet the demand from employers for engineers who have a wide knowledge and skills base covering a range of engineering disciplines, including a sound understanding of relevant technologies and current industry practices.

On completion of the degree you will have acquired advanced levels of competence in engineering and technology, including mechanical, electrical, electronic and management skills, making you highly sought after in the job market.

The broad-based nature of this course will give you many of the necessary skills and competencies required by a range of industries, including the renewable energies sector.

You will also benefit from the strong links established with engineering companies across the Highlands and Islands and from the industry-related project work you will undertake.

### Start Date

September

### Qualification

Degree

### Study Method

Part time (day)

### Award Title

BEng Hons

### Course Length

4 - 6 years

### Department

Energy, Engineering and Construction

### Entry Requirements

HNC or HND Engineering Systems

### SCQF Level

10

### Progression Routes

«ProgressionRoutes»

### Combination Courses

«htmlCombinationCourse»

«htmlCombinationUCASCode»

### Address

Castle Grounds  
Isle of Lewis  
Stornoway  
Na h-Eileanan Siar  
HS2 OXR
