Content

The world of sport and fitness offers a wide range of exciting and satisfying careers across coaching, fitness, outdoor adventure tourism and health promotion.

The aim of this course is to provide you with a background knowledge of duties in the sport and fitness industry. As well as gaining educational skills, you will also participate in a work placement over the year to enhance your employability skills. The placement will be carried out in one of the three areas; football, fitness or multi-sport. You will have opportunity to explore several aspects of sport and fitness studies in a theoretical and practical way.

This course will provide opportunities to visit local and regional leisure facilities. It will also give you the opportunity to participate in a residential trip at the end of the academic year.
