

## Arts and Humanities

Open University in Scotland

### Content

From poetry to string quartets, and from sculpture to short stories, the extraordinary range of human culture offers rich possibilities for study. This broad and absorbing course develops a deep understanding of the world we live in and how we got here, covering a fascinating variety of perspectives, periods and subjects – including art history, classical studies, creative writing, English language, English literature, history, modern languages, music, philosophy, and religious studies. You'll learn from the OU's world-class academic research, through high quality module materials and engage with fellow students from around the world.
