

Arts and Humanities

Open University in Scotland

Content

From poetry to song, and from sculpture to revolution, the extraordinary range of human culture offers rich possibilities for study. This broad and absorbing course develops a deep understanding of the world we live in and how we got here, covering a fascinating variety of perspectives, periods and subjects – including art history, classical studies, creative writing, English language, English literature, history, modern languages, music, philosophy, and religious studies. You'll learn from the OU's world-class academic research, through high quality module materials and engage with fellow students from around the world.
