

Accounting and Finance with People Management

Abertay University

Content

This degree is designed to give you the knowledge and hands-on experience you need to work in accounting and finance. Get set to think in different ways, unleash your creativity and explore the financial core of the business world.

Finance and HR (people management) complement each other very well. Understanding recruitment and talent management will help develop your soft skills alongside accounting. We aim to ensure you have the HR skills you need to become a good people manager.

You will get:

All the skills you need for a career in accountancy, taxation, auditing and corporate finance; Professional body accreditation from CIMA, ACCA and AIA; The key management skills necessary to deliver a financially and environmentally sustainable performance across a wide range of organisations.
