

# Business Management with People Management

Abertay University

## Content

Nurture and manage a workforce effectively with strong business and people management (HR) skills. You'll gain all the expertise you need to become a great people manager.

From recruitment and talent management to business strategies, you'll develop a specialist knowledge of HR (People Management). This means applying all of your people management capabilities to help make employees happy, healthy and able to work to the best of their abilities.

You'll cover topics like recruitment and talent management, and at the same time gain an understanding of how the business side operates.
