Economics and Accounting

University of Edinburgh

Venues

Central Campus

Content

Economics and Accounting are complementary, both in terms of knowledge and the wider-ranging skills they help develop, such as IT and data interpretation (for example, corporate and public sector accounts).

Studying this combined programme will help you understand the economic incentives that shape the important decisions made by individuals, businesses, governments and societies.

This combined programme is suitable if you are planning to take accountancy qualifications after graduation.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

MA Hons
