

Biological Sciences Pathway

Glasgow Caledonian University

Content

Spend the first two years at a partner college, completing an HND as a GCU student, before transitioning to the third year at the GCU Glasgow campus.

Study biology, from molecules through to whole-body systems, at degree level. Look at what goes on inside a cell or organism and examine how cells interact to influence physiological mechanisms in health and disease.

Start Date

August

Qualification

Degree

Study Method

Full time

Award Title

BSc Hons

UCAS Code

C101

Course Length

4 years
