

Social Services and Healthcare (Children and Young People)

North Highland College UHI

Venues

Alness Campus
Thurso Campus

Content

This award meets registration requirements for Scottish Social Services Council for Children & Young Peoples Care Workers. The SVQ in Social Services and Healthcare (Children and Young People) helps to develop skills and knowledge already gained in a childcare setting.

This SVQ 3 in Social Services and Healthcare (Children and Young People) is work-based and has a structured, but flexible, delivery. Students are assessed in the workplace to allow you to demonstrate your competence.

Start Date

September, March

Qualification

SVQ

Study Method

Part time (work based)

Award Title

at SCQF Level 7

Course Length

1 year
