

Social Services and Healthcare

North Highland College UHI

Venues

Alness Campus
Thurso Campus

Content

This award meets the registration requirements for the Scottish Social Services Council for Care Workers. The SVQ in Social Services and Healthcare helps to develop skills and knowledge already gained in a care setting.

This SVQ Level 2 in Social Services and Healthcare is work-based and has a structured, but flexible delivery. Students are assessed in the workplace to allow you to demonstrate your competence.

Start Date

September, March

Qualification

SVQ

Study Method

Part time (work based)

Award Title

at SCQF Level 6

Course Length

1 year
