

## Popular Music (Advanced entry)

UHI Perth

### Venues

Main Campus  
Virtual Learning Environment (VLE)

### Content

The BA (Hons) Popular Music degree at Perth College UHI is a highly rated and well-established music course that will equip you with the portfolio of skills and knowledge required for a successful career in today's music industries. On successful completion you will be able to enter areas of employment such as performing, composing, song-writing, instrumental teaching, music production and enter academic teaching and research through future postgraduate study.

By learning from staff who are professional performers, composers and academics, you will be encouraged to thoroughly develop both your creative talents and your critical thinking in a positive, stimulating learning environment.

You will develop and strengthen a variety of skills such as music theory, research and analysis and be supported and guided by staff to explore your full creative potential in all course work - from song writing and composition, to collaboration in band/ensemble work, to how you engage with research in understanding the field of music industries. Additionally, you will engage with studies in music business and audio to complement your core coursework in popular music.
