

Professional Musicianship

West College Scotland

Venues

Greenock (Finnart Street) Campus

Content

This course is designed for musicians who wish to improve and develop their instrumental technique and live performance skills. This is a vocational qualification, meaning that the entire course is based around you gaining real world experience, and all the skills that you develop on the course will match the requirements of being a musician in the music industry.

You'll learn about:

Live Music Performance; Music Rehearsal Skills; Improving Instrumental Performance (including graded instrument tuition); Structure of the Music Business; Music Theory.
