Content

The HND Computer Science course has been designed to meet the growing needs of IT and computing-related sectors, giving you an up-to-date, recognised qualification within the context of an ever-changing employment market.

The range of optional subjects available will allow you to focus on different aspects, perhaps where there is a local demand for particular skills. The inclusion of subjects such as cloud computing, convergence technologies, network technology and advanced software development will ensure that your qualification is relevant for the 21st century.

On successful completion you will be able to demonstrate competency in a wide range of related skills such as design and implementation of applications including: programming using recognised commercial languages; database design; website design and support; mobile application development; and cyber resilience.

Start Date

September

Qualification

HND

Study Method

Full time

UCAS Code

001I

Course Length

1 year

Department

Business and Computing

Entry Requirements

HNC Computing

SCQF Level

8

SCQF Points

«SCQFPoints»

Progression Routes

Relevant degree programme

Combination Courses
