

Accident Repair Paint Principles (Diploma) (Level 5/6)

UHI Perth

Venues

Main Campus
Virtual Learning Environment (VLE)

Content

A comprehensive practical and knowledge based programme, this course prepares learners for work in the modern vehicle body repair and refinishing environment. The course is designed so that you can study for three years to achieve a Level 3 in both Vehicle Body Repair and Vehicle Refinishing. This allows students to choose which route they might prefer and provide them with a diploma in both disciplines. The department is equipped to a high standard, including the latest collision repair technology including welders and alignment equipment. This provides an environment that mirrors the modern vehicle repair industry.

Start Date

September

Qualification

Other

Study Method

Full time

Course Length

1 year

Department

Engineering, Construction and Technology

Entry Requirements

2 subjects at National 3. Aptitude test.
