

Childhood Practice (Level 6)

South Lanarkshire College

Content

The NC Childhood Practice is an innovative and dynamic course which will help you start and progression your journey within the Early Education and Childcare Sector.

Through practical sessions, placement attendance and taught theories, you will be able to develop the underpinning knowledge to become an Early Years Practitioner.

The course team draw on their experience and insight into the sector to ensure that you are prepared for employment, but also progressing to Higher Education. This will include knowledge of child development, personal development, reflective practice and meta skills.

You will study a range of topics including:

Child Development; Rights of the Child; Care of Children; Play work; Reflective Practice; Work placement.

Within the work placement, you will be allocated a nursery or school
