Mathematics (3rd year entry)

University of the West of Scotland

Venues

Paisley Campus

Content

Join the BSc Mathematics to learn how mathematics underpins and describes the world around us.

Build the knowledge and skills required to excel in a multitude of professional sectors including finance, engineering, programming, teaching, and mathematical research.

This programme will provide you with a broad understanding of key areas of mathematics, with options to individualise your degree at the later stages. Choose to study topics from a range of options including Mathematical Biology, Numerical Analysis, Statistics and Applications of Number Theory.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BSc Hons

UCAS Code

G100

Course Length

4 years

Faculty

School of Computing, Engineering and Physical Sciences

Department

Physical and Chemical Sciences

Entry Requirements

2027 entry requirements

Relevant HND.

SCQF Level

10
