Content

Join the BSc Mathematics to learn how mathematics underpins and describes the world around us.

Build the knowledge and skills required to excel in a multitude of professional sectors including finance, engineering, programming, teaching, and mathematical research.

This degree will provide you with a broad understanding of key areas of mathematics, with options to individualise your degree at every level. Choose to study topics from a range of options including statistics, finance, coding and cryptography, numerical analysis, and mathematical biology.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BSc Hons

UCAS Code

G100

Course Length

4 years

Faculty

School of Computing, Engineering and Physical Sciences

Department

Physical and Chemical Sciences

Entry Requirements

2025 entry requirements

Standard entry:

4 Highers at BCCC including Maths.

Entry to year 2 is possible with 3 Advanced Highers at CCD including Maths.

Widening access entry:

4 Highers at CCCC including Maths.

SCQF Level

10
