

# Education for sustainable futures in adult, community and youth contexts

University of Glasgow

## Venues

Gilmorehill Campus

## Content

This programme provides you with the opportunity to study established and emerging theoretical dimensions of adult education, community development and youth studies. You will gain in-depth knowledge in a specialism of your choosing, as well as a solid foundation in educational and social research.

Core courses:

Approaches to inclusive learning: psychology, knowledge and curriculum; Local and global theories and perspectives on learning in diverse contexts; Contemporary research theory and methods in social pedagogical contexts; and Teaching and learning practice for youth, community, and adult contexts.
