

## Painting and Decorating (Pre-Apprenticeship) (Level 6)

Ayrshire College

### Venues

Ayr Campus

### Content

If you're interested in becoming a professional painter and decorator, this course is ideal for you. Skilled trades are in high demand. In just one year, you can gain the skills and knowledge needed for a successful career in painting and decorating.

On this course you will:

refine your techniques in painting, producing specialist finishes and mastering the use of spraying equipment; in papering, you'll tackle more complex surfaces and develop expertise in cutting, trimming, and hanging various types of wallpaper.
