Content

This Advanced Portfolio Preparation course is delivered by a team of established and practising artists and designers. It covers all general Art?disciplines?within fine art and design such as drawing, painting, two-dimensional design, three-dimensional design, illustrative sculpture, and observational drawing. This will allow you to find the subject which best suits your skills and will allow for a more focused progression.?

Throughout this broad-based art and design course, you'll produce your own portfolio. Tutor support is provided on a one-to-one basis throughout this process providing invaluable advice about which direction to head with projects; ensuring the preparation of a portfolio that is well-rounded with a diversity of media and project types. In each project, you'll work on source drawing, the development of ideas and solutions.?

Life drawing may be offered as an additional subject from one of our campuses.

You'll be invited to attend open days and exhibitions, given assistance with the UCAS process, and help to prepare for your art school interview and the submission of your portfolio.?
