

Procurement and Supply Operations (CIPS) Level 2 Certificate

City of Glasgow College

Venues

City Campus

Content

This CIPS level 2 course is ideal for anyone new to the Procurement profession, with little or no business experience and those aspiring to move into a career in procurement and supply.

It is also ideal for managers in other professions and business leaders or entrepreneurs who need to understand how procurement should function and its overall impact on business success.

You'll come away with a clear knowledge and understanding of facts, procedures and processes related to procurement and supply. You'll be able to effectively interpret information and ideas, and learn how to identify, gather and use relevant information.
