

Procurement and Supply Operations (CIPS) Advanced Diploma

City of Glasgow College

Venues

City Campus

Content

This course provides senior buyers, contract and supply chain managers with the expertise to improve organisational procurement and to fulfil organisational objectives. It gives you the knowledge base to reduce cost, improve quality and timescales, manage the supply chain and deal with legal issues.

Building on the practical knowledge and understanding gained at CIPS Level 4 Diploma in Procurement and Supply you will develop a higher level of practical, theoretical and technical knowledge and understanding of procurement and supply. Your learning will focus on how to deal with key aspects of risk in supply chains and mitigation of those risks; processing and evaluating contracts and the impact of legal implications when contracts are breached.

On completion of this qualification, you can expect to improve your overall organisational procurement and supply performance to fulfil your organisational objectives.

Tuesday 9.30am - 4.30pm.
