

Intermediate Certificate: Popular Beauty Techniques

Fife College

Venues

Levenmouth Campus

Content

Ideal for those pursuing a career in make-up, nails, brows, eyelashes, and tanning, this intensive 18-week program teaches a wide range of beauty skills through observation, practice, and client application. Fast-paced and requiring home practice, it includes online theory exams, seeking applicants passionate about success and social interaction.

You will learn:

Shaping and tinting brows; Tinting and lifting lashes; Applying glamour (day and/or evening) make-up and self-tanning; Creative nail technologies, including LED nails, UV gel nails, liquid and powder manicures/wraps and nail art as well as nail enhancement.
