

## Healthcare Practice

Fife College

### Venues

Dunfermline City Campus  
Glenrothes Campus

### Content

This course provides the underpinning knowledge for healthcare support workers and can provide an entry route to degrees in nursing, midwifery, and allied health professions.

The course includes mandatory assessed placements within a healthcare setting, which may be within hospital wards and care homes, and will require you to work various shift patterns (not night shift).

Subjects Include:

Therapeutic Relationships; Clinical Skills; The Human Body; Sociology for Health in Scotland; Graded Unit 1; Safe Working Practice for care; Mental Health; Professional Standards for Care Practice; Understanding Personal and Professional Development.

### Start Date

August

### Qualification

HNC

### Study Method

Full time

### Course Length

1 year

### Department

Healthcare, Wellbeing and Counselling

### Entry Requirements

Two Highers; or Advanced Certificate: Health and Social Care (Access to Nursing and Care HNCs) (Level 6); or other relevant national qualifications at SCQF Level 6; National 5 Maths preferred. Health check and interview.

You will require a satisfactory criminal record check from Disclosure Scotland to show that you are suitable for this type of course. Contact Disclosure Scotland for details on the type you would need.
