Glasgow Kelvin College

### Venues

East End Campus  
Easterhouse Campus  
Springburn Campus

### Content

This is an introductory distance learning course, designed to help beginners develop their skills in computing, ICT and digital skills.

It is a completely flexible online course, based on one-to-one and/or group meetings between you and our tutors, using Microsoft Teams and email. Learners work through the units at their own pace and in the order of their choosing.

The program includes a recognised SQA qualification, NPA Web Applications SCQF Level 4, though completion of this is not a requirement.
